Bruno Chaves Morone Pinto

Department of Agricultural Economics and Agribusiness
University of Arkansas

222 Agriculture Building, Fayetteville, AR 72701 | brunoc@uark.edu | (402) 875-3741

EDUCATION

Ph.D. in Agricultural Economics | December 2024
University of Nebraska-Lincoln
Dissertation: Three Essays on the Economics of Irrigation in U.S. Agriculture
GPA: 3.980/4.000

M.S. in Agricultural Economics | December 2022
University of Nebraska-Lincoln
GPA: 3.978/4.000

M.S. in Applied Economics | March 2020
Universidade Federal de Viçosa (UFV), Brazil
Thesis: Impact of the Brazilian Low-Carbon Agriculture Program on the Recovery of Degraded Pastures and Milk Production
GPA: 92.9/100.0

B.S. in Economics | February 2018
Universidade Federal da Paraíba (UFPB), Brazil
Thesis: Interstate Migration and Labor Market: A Case Study for the Graduates of the Federal University of Paraíba
GPA: 9.04/10.0

ACADEMIC APPOINTMENTS

Teaching Assistant Professor | January 2025 – Present
Department of Agricultural Economics and Agribusiness, University of Arkansas

CURRENT UNIVERSITY APPOINTMENT

100% Teaching

RESEARCH INTERESTS

Production Economics, Farm Business Management, Environmental Economics

WORKING PAPERS

Climate Response of Second-Season Corn in Brazil (with Marcelo José Braga). Job Market Paper. [Paper]

Irrigation Efficiency and Productivity in the Ogallala Aquifer Region: The Role of Weather (with Lilyan Fulginiti and Richard Perrin). Submitted to Sustainability, 2026. [Paper]

OUTREACH PUBLICATIONS

Pinto, Bruno. "El Niño and Brazil's Second-Season Corn: Should We Be Concerned?" Southern Ag Today 6(42.3). October 14, 2026. [Article]

RESEARCH IN PROGRESS

Dynamic Profit-Maximizing Fertilizer-Potassium Recommendations for Bermudagrass Hay (with Michael Popp, Nathan Slaton, and Gerson Drescher).

Fuel Prices and Negative Externalities: Evidence from Brazil (with Leonardo Cardoso).

Financial Cooperatives and Agricultural Performance.

Data Centers and the Impact on Agricultural Land Use.

CONFERENCE AND INVITED PRESENTATIONS

Pinto, B.C.M. and T. Mieno. 2026. "Irrigation as Climate Adaptation: Evidence from U.S. Crop Insurance." AAEA Annual Meeting, Kansas City, MO. Selected paper.

Pinto, B.C.M. and M.J. Braga. 2026. "Climate Response of Double-Cropping in Brazil." Invited seminar, Federal University of Paraíba, Brazil.

Pinto, B.C.M., L. Fulginiti, and R. Perrin. 2025. "Irrigation Efficiency and Productivity in the Ogallala Aquifer Region." AAEA & WAEA Joint Annual Meeting, Denver, CO. Poster.

Pinto, B.C.M., L. Fulginiti, and R. Perrin. 2025. "Decomposing Sources of Agricultural Growth Across the Ogallala Aquifer Region." AAEA & WAEA Joint Annual Meeting, Denver, CO. Poster.

Pinto, B.C.M. and L. Cardoso. 2024. "Fuel Tax Cuts and Gasoline Demand: A Brazilian Case Study." WAEA Annual Meeting, San Francisco, CA. Selected paper.

Pinto, B.C.M., L. Fulginiti, and R. Perrin. 2024. "Nonparametric Analysis of Irrigation Efficiency and Productivity in the Ogallala Aquifer Counties." WAEA Annual Meeting, San Francisco, CA. Selected paper.

Pinto, B.C.M., L. Fulginiti, and R. Perrin. 2023. "Analysis of Output Efficiency in the Ogallala Aquifer Region: Examining the Impact of Irrigation and Climate Variables." WAEA Annual Meeting, Whistler, BC, Canada. Selected paper.

Pinto, B.C.M. and L. Fulginiti. 2023. "Why Has the Share of Agriculture in Brazil Not Fallen in the Last 26 Years?" WAEA Annual Meeting, Whistler, BC, Canada. Selected paper.

Pinto, B.C.M., L. Fulginiti, and R. Perrin. 2023. "Technical Efficiency and the Value of Irrigation over the Ogallala Aquifer." North American Productivity Workshop, Miami, FL. Selected paper.

Pinto, B.C.M., L. Fulginiti, and R. Perrin. 2022. "Tradeoff Between Irrigated Land Area and Counties' Revenues in the High Plains Aquifer." AAEA Annual Meeting, Anaheim, CA. Selected paper.

Pinto, B.C.M., L. Fulginiti, and R. Perrin. 2022. "Efficiency Measurement of Irrigated Land Area in the High Plains Aquifer." WAEA Annual Meeting, Santa Fe, NM. Selected paper.

TEACHING EXPERIENCE

Current Teaching, University of Arkansas

AGEC 21003 – Principles of Agricultural Macroeconomics | 2025–Present
Instructor; in-person and online sections
University of Arkansas

AGEC 21403 – Agribusiness Financial Records | 2025–Present
Instructor; in-person and online sections
University of Arkansas

AGEC 23003 – Introduction to Agribusiness | 2025–Present
Instructor; in-person and online sections; developed the online course
University of Arkansas

AGEC 34003 – Farm Business Management | 2025–Present
Instructor; in-person and online sections
University of Arkansas

Student Evaluation Summary (through Summer 2026)

Course Number	Course Title	Total Students	1	2	3
AGEC 11003	Prin. of Agri. Micro.	17	4.00	4.25	5.00
AGEC 21003	Prin. of Agri. Macro.	228	4.34	4.59	4.48
AGEC 21403	Agribusiness Fin. Rec.	159	4.26	4.44	4.27
AGEC 23003	Intro. to Agribusiness	74	4.48	4.56	4.35
AGEC 34003	Farm Bus. Management	242	4.48	4.62	4.28
Totals & Weighted Averages		**720**	**4.38**	**4.56**	**4.36**

** Core Questions: (1) Overall course; (2) Overall instructor; (3) Instructor's spoken English. Scale: 1–5 (5 = Excellent).*

Selected Student Feedback

"With my freshman year coming to a close, I can confidently say that Dr. Pinto is my favorite professor! He explains course material very well, has a sense of humor, and provides a warm welcoming environment." **AGEC 21003, Spring 2026**

"I really enjoyed this class and Professor Pinto's teaching methods. I would absolutely recommend taking a class from him and feel as though I learned a lot in this class." **AGEC 23003, Fall 2025**

Previous Teaching Experience

AECN 872 – Mathematical Tools in Applied Economics (M.S. Course) | Fall 2023 and Fall 2024
Sole Lecturer, University of Nebraska–Lincoln
Supervisor: Lia Nogueira

ENSC 230 – Energy and the Environment (Undergraduate Course) | 2021–2024
Teaching Assistant, University of Nebraska–Lincoln
Instructors: Lilyan Fulginiti and Richard Perrin

AECN 901a/902a – Production Economics (Ph.D. Field Course) | 2023–2024
Teaching Assistant, University of Nebraska–Lincoln
Instructors: Lilyan Fulginiti and Richard Perrin

Microeconomic Theory I (Graduate) | Spring 2019
Teaching Assistant, Universidade Federal de Viçosa, Brazil
Professor: Viviani Silva Lirio

GRANTS AND AWARDS

New Faculty Commendation for Teaching Commitment, Teaching and Faculty Support Center, University of Arkansas, 2026

Arkansas Soil Test and Review Board Grant, Co-PI, $30,000 (my portion), 2026

Project: Decision Tools for Profit-Maximizing Potassium Fertilizer Recommendation

Daugherty Water for Food Global Institute Student Support Grant, $18,500, 2023–2024

Project: Optimal Groundwater Management Policies for the High Plains Aquifer: Taxes, Quotas and Water Markets

Widaman Distinguished Graduate Fellowship Award (Research), University of Nebraska–Lincoln, $2,000, 2024

Farmers National Company Fellowship (Teaching), University of Nebraska–Lincoln, $2,000, 2024

PROFESSIONAL SERVICE

Senior Advisor, Agribusiness Club, University of Arkansas, 2025–Present

Scholarship Committee Member, University of Arkansas, 2025–Present

Search Committee Member, Online Undergraduate Coordinator, University of Arkansas, 2025

Reviewer, American Journal of Agricultural Economics, 2026 (one paper)

Search Committee Member, Open Rank Professor – Agribusiness Management, University of Nebraska–Lincoln, 2024

MENTORING

Committee Member (currently): Avery Bathurst (Undergraduate Honors), University of Arkansas

Committee Member (past):

2026: Dang Tran (M.S.), University of Arkansas

2025: Bruno Bezerra (Ph.D.) and Marcelo Andrade (M.S.), Federal University of Paraíba;

TECHNICAL SKILLS

R (Advanced): Data wrangling, econometrics, data visualization, spatial data handling, and GIS mapping

Stata (Advanced): Data wrangling, econometrics, and data visualization

CERTIFICATIONS AND PROFESSIONAL DEVELOPMENT

Bridge Program Certificate, University of Arkansas, 2026

Teaching Academy, Agricultural & Applied Economics Association, 2025–2026

University of Arkansas Teaching Camp, 2025–2026

Spatial Data Handling and Map Creation using R, University of Nebraska–Lincoln, 2024
